6/12/2019	Positive	Timeliness, Customer Service, Quality, Offerings	Rich was great! Freddy was effectively shown who is "boss". His behavior modification is complete. We are working to reinforce all the good procedures Rich taught us. I highly recommend Rich to all dog owners who need help with solving their pooch's problems.

4/11/2017	Positive	Other, Timeliness, Customer Service, Quality, Offerings	If you have dog problems, call Rich at Perfect Pooch. You need look no further to find a "Perfect" trainer. We were getting nowhere with our two nine month old pups. They are adorable but one of them barked at everything and was very hesitant and fearful, and that was rubbing off on the other puppy. We had to repeat ourselves over and over to get them to listen, and that didn't always work. After training us on how to train our dogs, Rich had them doing things I wouldn't have believed if I hadn't seen it with my own eyes. One of the exercises was to put treats on the floor and keep them from pouncing on them. He was so gentle, but in full command, they sat and waited until he allowed them to get the treats! He showed us what we were doing wrong and how to do it right. The results were immediate. So many people give up on their pets when all that is needed is a little loving training. Call Rich to show you how it's done. Tom & Sue, Mesa.

4/7/2016	Positive	Other, Timeliness, Customer Service, Quality, Offerings	The one lady in he class has got to be "silenced" or she is going to waste our class time and is really pretty annoying to everyone.
4/7/2016	Positive	Other, Timeliness, Customer Service, Quality, Offerings	I apologize about that. I will work to remedy the situation. The following classes will be more fluid and she will not have the opportunity to interfere. Thank you for the comment.
